**Book of Destiny**

Welcome to your personal report from the Book of Destiny! Inside you will find detailed information about one year of your life. If you read carefully, you can extract even more information from this valuable report.

The information found within comes from a very ancient and highly revered mystical science that originated before the days of early Egypt. Its exact origins are unknown but its accuracy speaks for itself. The information it will give you will be timely and practical, pertaining to the events and experiences you are currently going through.

## Understanding the Structure of a Yearly Report

The information about your life in the Book of Destiny is in the form of playing cards arranged in a particular formation. The positions of these cards is not random in any way. Each card is derived from mystical calculations taken from your birthday and your current age. It is these cards and their meanings, that relay the information about each year of your life. Here is how these cards are divided and presented in the context of this Yearly Report.

First of all, this report will have one or more Main Sections, each referring to the cards found under one of your personal signifiers. Our personal signifiers are cards that represent us in some way. These include the Birth Card, Planetary Ruling Card, Personality Cards and Karma Cards. All of these cards can be used to signify us and each plays a certain role. However, not all of them are required to make a complete Yearly Report. Therefore, this report may contain one or as many as five main sections, each under the heading of one of these personal signifiers, depending upon who ran this report for you and which personal signifiers they believed would be the most helpful for you to know about. Most Yearly Reports include the cards for two personal signifiers, the Birth Card and one other. Karma Cards are rarely used.

Each of the Main Sections of a Yearly Report is divided into two distinct groups of cards and each of these Card Group Sections will have a Title Page to let you know what will follow. The first Card Group Section are what we call the Year-Long Influence Cards. These five cards, the Long Range, Pluto, Result, Environment and Displacement Cards, cast their influence on an entire year of our life. For this reason, their influence is more powerful than the other cards in a Yearly Report.

NOTE: Some of the Birth and Planetary Ruling Cards do not have Environment and Displacement Cards. These are the Ace of Clubs, 2 of Hearts, 9 of Hearts, Jack of Hearts, 8 of Clubs, 7 of Diamonds and King of Spades. If one of your personal signifiers is one of these cards, there will not be a page about the Environment and Displacement Cards in that Main Section.

The second Card Group Section in each Main Section are the Planetary Period Cards. There will usually be two cards found in each of seven Planetary Periods that divide the year into 52-day segments and the Title Page for this section will show them all to you and list the dates that correspond to the beginning of each period. Your birthday marks the beginning of the first period, called the Mercury Period. 52 days later the next period begins (Venus) and so forth until your next birthday marks the ending of one year and the beginning of the next. The cards found in each period have a strong influence over the events and experiences of that time segment. They also cast a subtle influence on the entire year and when this is the case, it will be mentioned in the interpretations for that particular card.

That is basically all there is to a Yearly Report except that there is a special section that is found in the beginning called the Report on Auspicious Positions Page. This page will tell you about influences that are present due to the position of your Birth Card and Planetary Ruling Card in this year's Grand Solar Spread. The Grand Solar Spread is sort of a master spread from which the cards in your Yearly Report were taken. You may or may not have one of these pages because there are some years that your cards may not fall into any of the nine various auspicious positions that this report looks for.

## More About Your Personal Signifiers

Your birthday associates you with one of the 52 playing cards. That card, called the Birth or Destiny Card, tells us much about your personality, character, and potential in the various areas of life. Every Birth Card has a highest expression as well as challenges that must be dealt with during the course of a lifetime. Inside, you will find a detailed description of your Birth Card on the page entitled "About Your Birth and Destiny Card". This is the first place to begin in your study. The meaning of your Birth Card will not change over the course of your life. Each of us is constantly refining the characteristics of our Birth Card, striving to reach the highest potential it offers us while working with some of the karmic challenges that are also associated with it.

Even though it is the most important, our Birth Card is not the only card that is a personal signifier for us. There are other cards that offer further clues about our character traits and personality. The most important is our Planetary Ruling Card. The Planetary Ruling Card is derived from our sun sign and explains much about our behavior in a similar fashion as the Birth Card. It is often compared with our Rising Sign in astrology. It acts as a personality filter that influences our behavior in a certain way and it is an important card to learn more about.

We also have one or more Personality Cards that are essentially masks that we wear from time to time when we are engaged in certain activities or occupations. These are always the Jack, Queen and King of our Birth Card's suit. For example, if a woman is romantically involved, she is usually playing the role of her Queen. If her Birth Card is a 5 of Clubs, for example, she would be acting as the Queen of Clubs when she was in love. Men in love act as the Jack of their suit. When your Yearly Report has a Main Section for one of these Personality Cards, just exactly how they fit into the overall picture will be explained in the report. Just keep in mind that these Personality Card influences are only in effect for whatever period of time we make their activities important in our lives. This is very different from the Birth Card or Planetary Ruling Card which are in effect all of the time.

Our Karma Cards offer additional mirrors of our personality, often revealing hidden traits. Most of us have two Karma Cards but some have as many as six. If this report has a Main Section in this report for one of your Karma Cards, it will likely reveal events and experiences that are very personal in nature and perhaps not so significant in an external or mundane fashion.

## How to do Relationship Readings for this Year

Though not apparent on the surface, this report does allow you to look up people you know and discover how they will be influencing you in the year that this report is created for. This section gives you all the tools you need to do this on your own, it is not presented directly by the report, but the information is available if you have the time to read this and follow the necessary steps.

**STEP ONE** - Make a list of the Birth Cards of people you want to know about. On the following page is a Birth Card Chart that gives the Birth Cards for each birthday of the year. In the table in the next column, list up to ten of the most important people in your life. Write down their names and birthdays and then look up their Birth Card and write that in as well.

**STEP TWO** - Determine their Personality Cards. Personality Cards are used frequently in relationship comparisons because they have proven to be accurate and important in this area. For purposes of this report, just list the Jack for men and the Queen for women, always of the same suit as their Birth Card, and write them down next to their Birth Card. For example, if some man you know has a Birth Card of a 7 of Diamonds, you would write the Jack of Diamonds down under "Cards" beside his Birth Card.

**STEP THREE** - If you have the book, Love Cards by Robert Camp, look up and write down the Planetary Ruling Cards and Karma Cards of each person. These additional personal signifiers will give you more cards to look for.

Name	Birthday	Cards

## Your List of Friends and Family

They are not completely necessary, but if you have them, it will simply add more to your search.

**STEP FOUR** - Look through your Yearly Report for the occurrences of their cards and then compare their locations with the Relationships LookUp Table to determine what it means. Take their Birth Card first and look through your Report to see if it is mentioned anywhere. If you find it, make a note of what position it is in (Long Range, Mercury Period, Pluto, etc.) The Relationships LookUp Table on the page after next will tell you what it means when it is found in any particular position. Once you have looked for their Birth Card, you can search for their other cards in the same manner.

The position of each card will relate a specific influence they will have on you over the course of the year. When one of their personal signifiers shows up in a specific Planetary Period, you can bet that they will play a significant role in your life at that time. Read the meaning of the other cards found in that period to determine just what that role might be. For example, suppose someone you know is a 3 of Hearts female and you happen to have a Queen of Hearts in your Mars Period along with a 5 of Diamonds. This Queen of Hearts is one of your 3 of Hearts friend's personal signifiers and thus it does represent her playing some role at that time. Because it is in Mars, you know that it could be a competitive or passionate role. The 5 of Diamonds suggests a change in finances related to a legal matter or a business trip. Putting these tips together you may predict a disagreement with your 3 of Hearts friend about some money matter, perhaps a legal matter, OR that the two of you go on a business trip in a somewhat restless manner.

Using this technique, you can add a lot more dimension to your personal Yearly Report. In fact, most of the cards in our Yearly Reports have dual meanings and many stories to tell us. The interpretations given for each of the cards tell the major story, but with the proper tools, you can derive much more information about other aspects of your life.

## Relationship Interpretation LookUp Table

Position	Keywords - Description
Mercury Period	Good communications, love to talk, share ideas. Helpful for all relationships.
Venus Period	Love, either close friendship or intimate, good for marriage or any relationship.
Mars Period	Aggression and Competition/Anger or Passion and Lust. A good marriage connection if you are a woman. Making love and/or fighting all year.
Jupiter Period	Spiritual and financial or material blessings. Very good influence for marriage or business partners.
Saturn Period	Restrictions, burdens, challenges, learning lessons, karmic relationships. This person may teach you. <b>if you accept them with the right attitude. Otherwise, it is difficult or problematic.</b>
Uranus Period	A spiritual relationship that needs freedom. Can make you feel uncertain. Friendship without the usual attachments. <b>Do not try to control them this year. They come and go unexpectedly.</b>
Neptune Period	You project your fantasies onto them. Illusion, self-deception or secret deceptions are likely. They can be spiritual or mystical to you. <b>Dream come true or nightmare?</b>
Pluto Card	They personify your challenges for this year. They may represent what you want to be yourself. <b>Challenging and transforming to you. Combine with Result Card for complete story.</b>
Result Card	Same as Pluto but you are likely to end up with them by your next birthday, as a blessing in your life. Part of what transforms you this year but a blessing as the year ends.
Environment Card	Someone who is a protective and helpful influence to you throughout this year. A blessing.
Displacement Card	This is an important one. Since you are literally sitting on their card this year, you are experiencing life from their point of view. You will also have to give to them this year, whatever seems appropriate.

## Special Tips for Gaining a Better Understanding of Your Yearly Report

1. To know more about your personal relationships in a year-long manner, look at the cards in your Venus Period and look at all the Heart cards found everywhere in your spreads. These are the most important relationship indicators.
2. To find out more about your work for the year in a general way, look at the Mars and Uranus Period cards and the Spade cards found anywhere in your reading. If you are involved in any of the communications fields, look for Clubs cards to indicate your success or failure in those areas. Entertainers, artists and those that work primarily with people should look at the Heart cards and the cards found in Venus. Salespeople and merchants would look for Diamonds and the Jupiter cards.
3. To know more about your health, look at the Saturn Period cards and Spade cards in particular.
4. To find out how your finances will be this year, look at all the Diamond cards and the cards under the Jupiter Period.
5. Our Jupiter Period cards each year signify what or who will be the greatest blessings and in which direction we can achieve the greatest financial blessings. To insure your financial success, follow the path laid out by your Jupiter cards, especially the Jupiter cards found in your Birth Card and Planetary Ruling Card sections.
6. Always seek to combine the meaning of the two cards found in the Planetary Periods to get the complete meaning. The whole story for any particular period is a combination of both cards acting together. Sometimes the Neptune period has only one card. When this is the case, this one card is the only influence present.
7. Try to keep the various sections of the report in perspective. Sections based upon Personality Cards will only apply to those aspects of your life governed by those cards.
8. When two cards in one period seem to contradict each other, remember that the more positive card will win out over the negative card in any given Planetary Period. Though the negative card could indicate a problem of some sort, the other card will indicate a resolution of that problem later in the period.
9. To learn more about this amazing system and how to do readings for yourself and others, purchase a copy of Destiny Cards by Robert Camp, available where you got this report. His other book, Love Cards, is also highly recommended, and also available where you purchased this report.

## *All about Your Birth Card*

*Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.*

The Seven of Hearts Person

The Spiritual Love Card

The Seven of Hearts has a quest for the truth about love and relationships. They are old souls who have come here to reach the highest in these areas, 'or else'. With two nines in their Life Path, they have come to complete a grand cycle in their soul's work and to let go of many things so that they may progress to the next level. These people must learn to let go of personal attachments and give to others without expectation of return or reward. On the low side, these people can be preoccupied with many suspicions and jealousies, which is but a reflection of their own insecurities. On the high side, we find counselors and those who make great personal sacrifices for others and who give much to the world. All must find some way to give to the world to attain peace and satisfaction. This usually manifests as teaching or consulting.

The health should be watched carefully as these people bring into this life some past life karma that could manifest as health challenges. Whenever there is a problem, it either calls for a change of lifestyle or a need to let go of some part of it. For example, they might have to quit a certain job because it is just too stressful. Some of these unhealthy patterns will be difficult to let go of, but it is their destiny to do just that.

Part of their challenge is to balance out their desire for material success with inclinations towards fairness in all their friendships and relationships. There can be strong ambitions that conflict with the desire to maintain harmonious relationships at times.

Anyone born as a seven or nine must learn to give and let go or suffer great pain and disappointment. The Seven of Hearts are the givers of knowledge and love and can reach the highest.

Some of the Seven of Hearts Issues Concerning Relationships

The Seven of Hearts will often try to dominate or control their loved one and this usually will not work out well for them. Being such a powerful spiritual number, anything less than the truth and non-attachment will always cause more suffering than it is worth. They enjoy traveling with the person they love and can be somewhat restless emotionally. Love affairs can often start suddenly and end just as suddenly. They are quite sociable and charming. It is only in their closest relationships that they meet with the challenges. The male Seven of Hearts is aggressive in meeting new friends and lovers.

## All about Your Planetary Ruling Card

*The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.*

### King of Diamonds as Your Planetary Ruler

This ruling card adds a lot of power to your personality making you someone to be reckoned with. Your power can be best expressed in a business enterprise where you have some natural abilities that make success almost certain. Be sure that you are the one in charge because this is where your real power comes through. This card gives you a lot of strength to overcome obstacles and to accomplish your goals. This same strength makes you stubborn at times. Because you are a self-made person, you tend to see things exclusively from your own point of view. You are powerful and others feel that power whether or not you are aware of it. You have leadership ability that magnifies when you are in positions of responsibility.

## All about Your 2nd Planetary Ruling Card

*The 2nd Planetary Ruling Card is only experienced by those of the Scorpio Sun Sign. It represents their 'working' ruling card. For most Scorpions, this is the card that they identify with most when it comes to day to day activities and experiences. The 1st Planetary Ruling Card, above, is the one to which they will aspire over the course of their life. It is their 'Phoenix Card' while this 2nd Planetary Ruling Card is their 'Scorpion Card.'*

### Jack of Hearts as Your Planetary Ruler

This ruling card accentuates the compassionate side of your personality, encouraging you to be selfless for those that you call friends and family. You may find that you go out of your way to help those in need. This card also brings a playful side to your personality. You probably like having fun at most of the things you do. However, the low side of the Jack of Hearts is that you can be stubborn at times and that you may exhibit some of the immature aspects of the Jack which is acting immaturely or irresponsibly in certain areas of your life - particularly romantically. You are capable of making great sacrifices for those you love and of dedicating yourself to a higher cause. In doing so, you could make a profound mark on the world.

## Auspicious Events Occuring at Age 43

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

### You will get a Wish Fulfilled This Year

Your Planetary Ruling Card falls in a position this year that is governed by the Planet Jupiter. Because of this you will have a certain amount of good fortune and you will see at least one of your important wishes fulfilled at the same time. This does not mean that every problem in your life will disappear or that everything will be easier. But it does mean that some things will come easier to you and that something you want will manifest itself. This is, for the most part, going to be a year of prosperity and abundance. Though you may have challenges in other areas, there will be much to be grateful for. Magnify this prosperity by receiving it and giving thanks.

### You Have Good Career Influences This Year

Because of the position of your Planetary Ruling Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. Of course, if you are not career or business minded, this influence will have little effect on you. But for those who are trying to get more recognition or wish to become better known, this is a year when some of those dreams will come true.

The cards in your Planetary Ruling Card's Yearly Spread will rise up to the 'Crown Line' sometime this year and because of this, people will pay more attention to what you are doing. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during years such as these. Just how it will manifest will depend upon the nature of your work or aspirations. Knowing, however, that these influences are present, it would be advantageous to put more effort into becoming recognized.

THE LIFE SPREAD

*This Section Has Information From Your Birth Card Spread*

About The One-Year Reading for your Birth Card

Our Birth Card is the most significant card of all the cards that represent us. It is the card that we identify the most with and the one in which we 'shine forth' with the greatest brilliance. We have other cards that are symbols of us as well. These include the Planetary Ruling Card, Personality Cards and Karma Cards to some extent. However, it is the Birth Card that is first and foremost in its importance and in its ability to describe our life in great detail.

Since this report may contain the Yearly Spreads for other cards that represent you, it is important to know the difference between them and their purposes in determining what they are trying to tell you.

On the following pages are all the cards for this year that fall in the Yearly Spread for your Birth Card. Cards in the Birth Card's Yearly Spread can pertain to most any area of your life, in contrast to the Personality Card spreads which usually only pertain to certain aspects of your life. As you read these influences keep in mind that these are the primary and most important.

This year you are working on a heart and emotional level in a big way. Perhaps you are in a business that has a lot of people contacts and you need more success in selling your ideas or in getting more cooperation. This is the 'Father Card' and can represent a year when you, as a man, may really want to become a father.

For ladies, this card can mean that you have a strong desire to meet a lover this year, someone who has almost ideal qualities such as being romantic, caring, and good in bed. The King of Hearts has been called the 'man that all women dream of' and the 'perfect lover'. In this case, the Result Card could be the Birth Card of a man that you will actually meet and be with by your next birthday.

On a deeper level you may have decided to take a more mature and responsible role with your emotions. Perhaps you are doing therapy and working on cleaning up past debris that blocks your present happiness.

Which ever area of your life is being affected by this card, this goal you seek will take some determination from you. You will have to make some changes in yourself and these may not always be easy.
